Automatic recovery for network appliances

US Pat. 5708776 - Filed May 9, 1996 - Elonex I.P. Holdings

In case a network appliance fails, its watchdog will sense the failure and ...

However, routine on the non-volatile storage device. The watchdog <> this ...

Automatic error recovery in data processing systems

US Pat. 5978911 - Filed Nov 12, 1997 - International Business Machines Corp.

If Windows is loaded before the timer network and video device drivers. If these

other device expires (step 332), the watchdog timer is set to two minutes ...

Method and system for diagnosing network intrusion

US Pat. 6735702 - Filed Aug 31, 1999 - Intel Corporation

In an exemplary embodiment a watchdog agent may detect a network attack, both at

the device on which it 5 operates and on certain remote devices assigned to ...

Network management system wherein the managed device reestablishes a ...

US Pat. 5909549 - Filed Nov 12, 1996 - International Business Machines Corporation

about the managed device. The Trap Frames are sent to ronment in which the

invention will be described is worth- a Network Management Station until an SNMP

...

Discovery features for SNMP managed devices

US Pat. 6360260 - Filed Mar 23, 1999 - International Business Machines Corporation

about the managed device. The Trap Frames are sent to a Network Management ...

Once an SNMP GET RESPONSE Frame is received, a "watchdog" timer is set at the

...

Transaction dispatcher for a passenger entertainment system, method and ...

US Pat. 6813777 - Filed May 26, 1998 - Rockwell Collins

Stops the driver and causes this ARCNET node to leave the ARCNET network. ...

SYS is the Watchdog Device Driver and is comprised of the following primary ...

Watchdog timer that is disabled upon receiving sleep status signal from ...

US Pat. 6523126 - Filed Oct 18, 1999 - Intel Corporation

One area that typically uses watchdog systems are cable modem network systems.

... 102 can be any electronic device such as a modem or network device. ...

[APPLICATION] Secure electric anti-theft device, anti-theft system comprising one such ...

US Pat. 10524654 - Filed Aug 21, 2003 - THOMSON LICENSING S.A.

[0021] the method comprises a step of identifying a watchdog device connected to

a network, when:the second device is connected to this network; ...

Hardware implementation of an application-level watchdog timer

US Pat. 7003775 - Filed Aug 17, 2001 - Hewlett-Packard Development Company, L.P.

The video controller 208 preferably drives a video 55 display device 40 while

NIC 217 is coupled to a network 218 for communication with other computers. ...

Communication network integrating voice data and video with distributed call ...

US Pat. 5341374 - Filed Mar 1, 1991 - TriLAN Systems Corporation

A ring/node logic device 97 is card 70, which provides the interface between and
